## Super Dog and Pony Show

WOW! What a great event! We had such a wonderful assortment of booths and entertainment...we just needed a few more spectators 😊

Many thanks to Zenerosity for their pony rides and mini petting, EBRPD volunteer booth, Lindsey Wildlife Center and their snakes, Xenophon, Guide Dogs for the Blind, Taylored Dog Training, Mari Parino and Wimbi, The Diablo Ladies Drill Team, Canine Companions, EBMUD/Kerry Blackwell and her fire hose game, and of course all of our MHA members who worked so hard to make this happen!

EBMUD rep, Kerry, was ecstatic and is promoting the event within EBMUD as a perfect example of community outreach 😊 BRAVO!

There are many more photos on MHA's Facebook page.

## Arena Clean-up Day

Huge thanks to the clean up crew that prepared the arena for the Dog and Pony Show. The arena fence was painted, the weeds were whacked, arena was tilled, potholes filled with gravel, tables moved and everything was put in order. And, of course, we ate 😊 The event committee treated other volunteers to lunch!

Free recycled paint was mixed to create the lovely goop color of the arena 😊

Gary and John discussed the finer points of painting?
